

The Scrip Program is “Fundraising While You Shop”. It’s an opportunity to raise funds for your student’s band account by simply purchasing gift cards/certificates for the stores/hotels/restaurants you normally frequent. 700 retailers offer varying percentages that are rebated to the band by GL Scrip which result in funds for your band account. For example, if I placed a small order for:

\$50 Chilis 11% rebate or \$5.50

\$50 Red Robin 9% rebate or \$4.50

\$100 Sports Authority 8% rebate or \$8.00

\$200 order with \$18 rebate (80% goes into your student account or \$14.40 and 20% or \$3.60 goes to general band account to cover shipping costs)

MANUAL METHOD

The simplest way to get started is to go to ShopwithScrip.com and search the retailers list. Choose what gift cards you want to order (either physical cards or ecards that you print yourself), email me the list of what you want before the 2nd Monday of each month. Mail or drop off a check for your order made out to HRHS Band and I’ll take care of the rest. Gift cards will be distributed early the following week.

This is all you need to know to get started making money for your student account right away. Everything else I’m going to explain is not hard; it’s just a lot of options. Each of these options allows you to customize your shopping to fit your family’s needs.

SELECTING CARDS ONLINE

If you want to be able to place your own order and not have to worry about emailing me, you can set up a ShopWithScrip account. Simply go to the same website. Click register, then Join A Scrip Program. Enter the enrollment code **EB88626239567** for the HRHS Band Boosters which links your account to our organization. Fill in some information, choose 2 security questions & answers and click I Accept. After that you will be able to shop, put gift cards in your cart and place your own order. Get your check to me by the 2nd Mon of the month when I will release all family orders. Cards will be delivered early the following week.

PRESTO PAY

Online payment system for families placing orders on ShopWithScrip®. PrestoPay uses the secure ACH debit process to electronically debit funds from a member’s checking or savings account. If you set up Presto Pay with your account, you don’t have to bother with sending me a check because you can make your payment directly online.

PrestoPay is like PayPal and because it is tied to your checking account there are a few extra steps to set that up to protect your bank account; but it’s easy and secure and I

have a flyer with the 4 steps and they will be included in the email blast. There is a 15cent convenience fee per order.

To sign up, log into your ShopWithScrip account and click the Presto Pay link on your family home page. Enter your bank acct. info on their secure website.

GL Scrip will deposit 2 small amts. into your acct. Enter those amts. into your registration to verify the acct. GL Scrip will then email you an approval code which you sent to me. Then you will be ready to place orders using Presto Pay.

SCRIP NOW

Electronic gift cards are available from many of our retailers, and can be ordered and printed from your ShopWithScrip account. The ScripNow eCard is delivered to your account in minutes when you pay for your order with PrestoPay - 24 hours a day, 7 days a week. Print the certificate and redeem it in stores, or copy and paste the code at checkout to apply to an online purchase. You can also order and redeem ScripNow right from your phone using MyScripWallet.com. I will be notified of your order and make sure your rebates get credited to your band account. You can also order ScripNowEcards but pay your coordinator with a check if you like.

RELOAD NOW

Add funds to a plastic gift card immediately for retailers that offer a ReloadNow product. The funds are available on the card in minutes when you pay with PrestoPay - 24 hours a day, 7 days a week. The card must have been purchased from Great Lakes Scrip Center to be eligible for ReloadNow on ShopWithScrip. All you have to do once you've logged into your ShopWithScrip.com account is select the retailer, register the card by entering the card number and name your card to keep track of it for future reloads. You can pay with either a Presto Pay account or by getting me a check. Funds on a reloadable card will be available the next day. ReloadNow cards must be paid with a PrestoPay account and funds are available immediately for use.

MyScripWallet

Put fundraising at your fingertips™! MyScripWallet.com is a mobile site for ShopWithScrip, supported on iPhone and Android devices. You can access the site by opening the browser on your phone and going to MyScripWallet.com. Login using your same ShopWithScrip username and password to place orders for ScripNow, Reload, and ReloadNow. Also, redeem scrip directly from your mobile device for retailers that allow it.

Again, the step by step details for each of these options are attached or you can feel free to call or email me for more information or if you need help getting set up. But you

can start right now by going to ShopWithScrip.com and simply emailing me your order and dropping off a check and taking advantage of an easy way for everyone to earn a lot of money for their band account.
