## Review Enrollment Packet

- Paperwork is required for enrollment. We know it's a lot, and repetitive for returning students but is necessary. Thank you for completing on time
- 3 Step Process. Online Enrollment – please be sure to list all email addresses that need to know about events. If you haven't completed already, please complete ASAP as Drill is written specifically for the number of students that we have enrolled. Enrollment Packet – this is all the school required documents. Medical contacts are needed for Band Camp. Final step is Payment – the link will be sent out today for the MySchoolBucks portion, the Activity Fee portion will be assessed in August when the school applies them to your account
- Volunteer Form – please have at least one parent complete. This form covers you for all school district activities, so you don't have to fill it out for each activity your student participates in
- Vehicle Form – since we no longer have school buses this for allows you to help us carpool students to marching band events

## Review Information Packet

- This packet will be going out to families, but it is also posted on our website
- Fundraising very important to our ongoing upgrades of and reduction of activities
- Volunteering is a great way to see your student in their environment and sometimes we can get you into the events for free

- Cost is \$500 which breaks down to \$2.78/hr
- We run a minimum staff with just the 3 Directors. Our students Leadership really help us out
- Budget is projection based off last year's actuals. Actuals are presented at the monthly Booster Meetings throughout the season and available for your review at any time
- Uniforms/Costumes – stepping into the competitive world where even our uniforms will be changed to match the show theme. Our show is "Tombstone", wild wild west style. Students will be asked to wear their own blue jeans. Shirts, hats, accessories are part of the budget and included in the fee
